SWAP

4. Enter the amount of RIA you would like to exchange for wRIA in the top box. Then, enter the wallet address for the wRIA token to deposit those tokens.
 - a. Note 1: there is a minimum of \$5 USD equivalent of RIA to exchange into wRIA. So whatever number is listed there reflects the minimum. Please change based on your needs above that number.
 - b. Note 2: You will need to first add the wRIA token to your wallet (Trust, Metamask, etc) in order to generate an address to receive tokens. Please follow instructions for the wallet you intend to use on how to add Custom Tokens to your wallet. The Contract for wRIA is:
 0x9a27BF99A177FED8d5704aB14041394bD7732f4c
<https://bscscan.com/token/0x9a27bf99a177fed8d5704ab14041394bd7732f4c>
5. If you wish to enter an email for confirmation of transaction, click on Advanced and enter your email in that space. Then click Swap.
6. There will be another pop up showing the details of the exchange and more importantly, the address that you will need to send your RIA to. So, go to your aRIA Core wallet, click Send button and enter that address. Then, put in the amount that you requested to exchange. **VERY IMPORTANT:** this number must be the same as what you wanted to exchange. So, if you wanted to exchange 100 RIA for 100 wRIA, then you must put 100 into the Core Wallet Send amount space. You may lose your coins or tokens if you do not put in the correct amount!

ERC NETWORK:

- Exchanging RIA to wRIA and wRIA to RIA is all done through the txbit.io exchange. You will need an account with them with a deposit of either wRIA ERC and/or RIA in order to make the exchange. The links below are self explanatory:
 - o <https://txbit.io/Convert/WRIA>
 - o <https://txbit.io/Convert/RIA>
- For trading wRIA, you can either use txbit.io CEX, or uniswap (<https://app.uniswap.org/#/swap>). The token contract is: 0xe4174143f0d6b1ebc0e25e1acd975c8f9fd06539. This will need to be added as a custom token on ETH network. Etherscan for reference: <https://etherscan.io/token/0xe4174143f0d6b1ebc0e25e1acd975c8f9fd06539>
- If you have purchased RIA coins from another exchange or have some in your core wallet, please send them to txbit.io with the links above for swapping.

Thank you for supporting aRIA Currency.
